

EG Declaration of Conformity

Manufacturing firm: Eilersen Electric Digital Systems A/S
Kokkedal Industripark 4
DK - 2980 Kokkedal

Description of the unit:

Type Description: Electronic Weighing Modules
Type Name: 4X35A / 4X37A / 4X40A / 4X50A / 4X60A / 4X70A
4X79A / 4140OEM / 5008 / MCE9601 / MCE9610
MCE9629 / MCE9635 / MCE9637 / MCE9640
MCE9649 / MCE2010 / MCE2029 / MCE2035
MCE2040 / MCE2529 / MCE2535 / MCE2540
2050 / 2070 / 4X29 / 5429

We hereby confirm that the above mentioned unit has been manufactured according to the security targets for electrical working funds within defined voltage limits through compliance with:

**European directive 2014/35/EU,
Electric equipment for use within certain voltage limits**

An EG-typeproofement is not necessary.

We hereby confirm that the above mentioned unit corresponds with the essential security targets, which are fixed in the guideline for the electromagnetic compatibility.

**European directive 2014/30/EU,
Electromagnetic compatibility**

Applied standards to estimate the unit: EN 61326-1: 2013
